

Feb 22 1837

Mr Weston was at my House last evening, he thinks his wife is sombered & is in hopes she will get a long. Foster wants to know what you dreamt that you spoke a bout in your letter & wants I should say he has received no letter from you untill the present one & thinks if you have wrote they miscard an account in the County being Rang. My wife says that your Sister Eliza has three children the Eldes a girl & named after your Mother. The Eldest boy name is Joseph & the youngest boy they name after you Ezra my wife thinks when you were hear her Mother had but one girl her name was Betsey. She died thirteen years ago.

Perhaps you would like to know if your brother enjoys Religion I think he never made any profession of Religion we should all be glad to see you & hope by the Providence of God you may be permitted to visit us ere long. we some times hear from you by Friends that have been in your vicinity but not often.

Perhaps you have heard of the death of  
your Sister that lived in Elmore Mrs  
Gilbert - as you did not mention her name  
we did not know whether you ever heard  
of <sup>her</sup> death - She died Six years ago this winter  
& her Husband died Seven years ago  
I cannot tell you much about their  
Family for I never saw any of them  
your Brother Josiah willow is alive &  
enjoys very good health She married  
again after your brothers death to a man  
by the name of Mr Stone - he has been  
dead some 10. years - Aunt Jersey lives  
with her youngest Daughters by her first  
husband - they live in Morris town  
her daughter married Edmund Phelps  
we do not know where your Sister  
Suey lives but have heard that she  
has frequently sent letters to Ample  
Gilberts Family - I cannot think of  
any more news to write - the reason  
that your letter has not an answer  
before is the family were sick at the  
time it arrived & it laid in the P. O.  
for a long time - So good bay

E. P. Hodge
