

Berlin Marquette Co Wis. August 27th 55.

Dear Father - I send you a few lines to inform you that the Land Warrant has arrived safely. You can send on the Mortgage & I will properly sign it over to you; then if Mr Adams wishes to apply his Warrant at \$150 you will be enabled to give him a legal receipt. If he does not get a Warrant, you can receive \$150 for me when^{as} it comes due: The remainder you will be entitled to. There will be no risk in sending the Mortgage as it is on record.

There is considerable sickness here at present, Scarlet Fever & whooping Cough, principally. Several have died lately; mostly Children. A little girl 8 years of age, was drowned at the Dock, on Saturday last. Luther is becoming more resigned to his severe Affliction.

Self, & Family are well; & Contented.

E. E. Warren.
