

Nishanaka May the 20 56

Dear father and Mother it is some time since i  
have ritten to you we have heard from you often  
we see some none from their evry few days and hear  
from you often we are all well and have had good health  
it is healthy here and verry pleasant fine weather  
they have got their springs work about all done  
i let my land out they have 20 acres of corn plant  
and oats and potatoes in i that i also try the groery  
trade a spel so far i like it well and have done  
well parker sold his part of the goods to none  
Sim broke a first rate onist fine man we have done  
well so far all kinds of grain is a fair prise and  
a plenty of it if you see him tell him to write  
to us soon i have written to him twice tel the  
boys all to write soon harrison he picks cukes and  
pies and apples on the eares he selles from 10 to 15 cts  
a day the other boys goes to school i have an acre of land  
close by that we raise a good deal of bas on  
A fair prospect for fruit all but peaches  
wheat looks well
