

El Paso, Ill

Sept 1st / 2.

Dear Father,

Your Letter
of August 26th & 29th have
come safely to hand.

The Lot was \$25, I gave
my Note drawing 10 per cent
interest; which will amount
to nearly \$3. principal &
it by this time.

Very sorry that the money
I had to come from
it. I have not been
to lay up anything this
year, but if I do
have to go to war I
can earn something more
than common day wages at
sterling, this fall. So that
we will be likely to get through
the winter

Comfortably.

We duly appreciate your
Sympathy; & Assistance
I hope to be prospering
or to be able to refund the
Money sometime.

We are all in comfortable
health.

As Ever
