Dear Father

Your Letter of the
22nd has come to hand. The
Donations, which it contained
are duly appreciated by us.
We should certainly have feared
Slim for two months past
had it not been for letters with
insider to them. But Spring
has now come, & I am in health
& hope to be successful in
making a little headway this
Summer if possible.

We had probably better stay where
we are; as the expence of moving
back would be a good deal; & we
are now getting fixed up in a
quite comfortable shape; so
that it seems considerable like
live again. I am exceeding
sorry to hear that James is becoming

attached to Strong Drink...
To loose all his property would
be a trifling misfortune, comparatively.
Truly, nothing but the Grace of
the Lord Jesus Christ will be
able to save him from the
power of so dreadful an Enemy—
destructive alike to the interests of
time & Eternity. May that
power, & Grace, which only can
procure him be abundantly
bestowed upon him is my
sincere prayer.

Prayer, & Class meetings are well attended
here now. Last Summer only 4 or 5
could be depended on at the
prayer meetings during the busy season.
I think there will be a score at
least that will be punctual in
attendance this summer.

The weather is quite warm here
nowaday. Some sowing of
Spring Wheat has been done,
& some Gardening.

Wishing you the continuance of
Health, Peace, & Comfort both
Spiritual & temporal I remain
as ever Your Obt Son &c
E. L. Warren.
