Dear Brother,

I send a few
lines to you at this time
to let you know that we
still continue in health &
and likewise to inform
you that I am Drafted.

I have not yet got things
in very good shape for the
comfort of my family through
the winter. And I thought
you might suggest the
matter to Henry & Co, if
I am to fight their battles
for them; possibly they might
conclude to send me a
little more of the needful
to help fix up things
more comfortable. I get a
little better supply for winter

I did not intend ever to receive
a request of that kind again
& probably should not have
been under the necessity of
doing so, if I would remain
at home & have my health.

James has been here about
5 or 6 weeks & just left
eastward bound but did not
tell me his destination exactly.
I think he has kept pretty
clear of strong drink during
his stay here and at El Paso.

I had a letter from Gannon,
folks, stating that he was
in Virginia City, Idaho, Territory
at present.

We are getting a dry pleasant
fall so far.

Your Son,
E. E. Warren.
