Dear Father Minn.

Your Letter of the 17th
October is received. I have
been at Witton (25 miles off)
at work for some time.
Much obliged for the
money. I shall be able
to get a Cow. They
are selling for 25 to
\$30. Fred's kind of
which you enquire is
well & no difference
to be noticed from the
other in looks, but
he handles it a little
awkward yet in jumping.
We have had a couple
of snow storms & much

frooze hard enough to
bear a team; but now
the weather is fine and
summer again.

Excuse the shortness
of letter no pen or ink
being at hand &
the mail soon to
start.

As ever,
Your son &c.
