Grandfather

I received your kind
letter and am thankfull for your
good advice, I am well as present &
so are all the folks, our minister
preached his last sermon here today,
there is not much news now,
the work on the R. Road, is
progressing fine, and the town is
full of laborers, and the worst of it
is, they are to often at 5 saloons
that are here in town, I would like
to send you my photograph but
there is but one here and the
man is not sober low enough to
take a picture you will have
to excuse my short letter, this time
as it is getting late and I have got
to go up to the house from
the office
