Dear Father, I have got three <sup>3/4</sup>  
and half pounds of Clover seed  
for you. Mr. Cutter thinks  
you may want to sow it some  
time in March, if you had  
rather I would get it to  
Lockport for you I will do  
so any time by your riting  
me where to have it, at what  
store or place, would ~~be~~  
like to have you come up and  
stay a few dazes, have no  
news to rite, all well as usual  
My respects to all,  
James Warren
