8 One night ashore in Toledo

We had a jollie time

While floating down the river

The moon did brighten & shine

Captain Cramer top of the bowler crew

Right merrily did sing

And we made the air resound in the strain

Of the barge of the Jennie P King

9 We went on board the Boody

And Cramer he did pass

The Bottle from man to man

Till each one had his glass

The Omega Dispatch we boarded next

And the the Captain he did turn in

And we woke him up to make him

The song of the Jennie P King

10 Then back on board the Boody

All hands did go once more

One of the boys lay on the rail

And soon began to snore

He nodded twice then gave a lurch

And backward he fell in

And was brought on deck like a drowned

By the mate of the Jennie P King

11 Next morning we got under way

And homeward we did steer

Our bowsprit point for Buffalo

Toledo in our rear

Down on Niagara River

Tonawanda well make ring

Here's three shouts for Captain Cramer

And the crew of the Jennie P King

The Jennie P King  
Come all ye jollie sailors  
That love to hear a song  
Attention pay to what I say  
I won't detain you long  
We shipped in Tanawanda  
Some timber for to bring  
From Toledo for a dollar a day  
In the bargain of the Jennie P King  
Chorus "Hurrah my boys Hurrah  
How let us go and sing  
It gives the health to Captain Erwin  
And the crew of the Jennie P King

2. We was on the second day of June  
We hauled her out of dock  
With the steam boat Jennie Bell  
We towed her to Black Rock  
But when we left her on the lake  
It was then we did begin  
To see which would make sail the first  
Diapack or the Jennie P King (Chorus)  
3 Our boys jumped in the rigging  
And up aloft did run  
To ride the Halyards down on deck  
To see if it was fun  
And my men worked with a will  
And soon we spruced her up  
And we beat to smack the schooner Diapack  
With the bargain of the Jennie P King

 # Across more upon Lake Erie

 Our bow spirit point for Toledo

 Oh the foaming bursting bilious  
 From the bow they must take wing

 5. You on this timber drager  
 You have a mighty crew  
 You've Uncle Sam's sea fifer  
 And gambaldies too  
 You've one from New York city  
 The draft it him dis sting  
 And he come to Tonawanda  
 to ship in the Jennie P King  
 6 There are men from Jefferson County  
 Canadiens to i think  
 Then there the death from Tonawanda  
 That like good lager beer drink  
 There's Betty the cook comes next in turn  
 I think she's just the thing  
 To suit Captain and crew and officers  
 On the barge of the Jennie P King  
 7 There's one who minds the horses  
 He is a perfect cure  
 Whether man or monkey  
 I cannot tell I'm sure  
 The Captain feeds him of apple sass  
 And calls him devil skin  
 For he chatters and gabbles both night & day
