

We are in usual health
& are quite handy to Meetings,
School &c. I attend 3 pray-
meetings week-l. 2 at the Methodist
& one at the Congregational
Church. There are several warm
hearted, living members at
both places; & others who
seem to be occupying the
position of servants, instead
of children of their Heavenly
Father to whom duty seems
a load, & worship proves a
task. For my own part,
my mind is kept in perfect
peace; & whether I fall
from a chimney top, am
slain on the field of
battle; or sink by the hand
of disease; I mean to be
ready.
